

# UNCLUTTER YOUR MIND *UNCLUTTER* *YOUR WORLD*

Doing life and business can be hard at times; we can't do it all alone. Work, family, and life all take our time. Time is the one thing we can't create; factor in life transitions, we all could use a new perspective. As a Professional Organizer, Life Transitional Specialist, and having a Ministry Diploma, Lisa's goals are to help you be your best self, whether that means finding your joy and purpose, starting a business, writing a book, or productivity training.
